All-in-One Trimmer

DualCut: maximum precision with 2x more blades

Craft your own personal look with this versatile trimmer, which includes 18 quality tools for styling your face, head and body. Its DualCut blades deliver maximum precision and the no-slip rubber grip improves comfort and control.

Cutting performance

- DualCut technology for maximum precision with 2x more blades
- Reinforced guards won't bend or buckle while trimming

Versatility

- Trim and style your face, head and body with 18 pieces
- Steel trimmer with self-sharpening blades for even results
- Narrow steel precision trimmer for creating detailed styles
- Nose and ear trimmer comfortably removes unwanted hair
- Extra-wide hair trimmer for quick trims, haircuts and fades
- 13 reinforced guards to trim beard, stubble, head and body

Easy to use

- Powerful Lithium-ion battery delivers 3hrs of runtime
- Blades and guards are water-resistant for easy cleaning
- The trimmer can be used cordless or while plugged in
- No-slip rubber grip for improved comfort and control

Highlights

DualCut technology

Enjoy maximum precision with DualCut technology, which includes 2x more blades. The steel blades lightly brush against one another - sharpening themselves as they work. This results in blades that are sharp as day 1 after 4 years of use.

18 pieces for face, head, body

18 pieces for all your trimming needs: a metal trimmer, a detail metal trimmer, a nose and ear trimmer, an extra-wide hair trimmer, 6 hair trimming guards, 3 beard trimming guards, 2 stubble trimming guards, 2 body trimming guards, a storage bag and a cleaning brush.

Up to 3 hour runtime

The powerful Lithium-ion rechargeable battery delivers up to 3 hours of runtime per 1 hour charge.

Rinseable attachments

Simply rinse the water-resistant, non-corrosive blades and guards under the faucet for easy cleaning.

Reinforced guards

Our unique cutting guards are reinforced to prevent bending and buckling, ensuring an even trim every time.

Cordless and corded use

The trimmer can conveniently be used cordless for up to 3 hours, or while plugged in for continual use.

No-slip rubber grip

High-quality rubber handle for superior comfort and control while trimming.

Steel trimmer

The trimmer's precise steel blades create clean, straight lines and evenly trim through the thickest hair. The non-corrosive blades won't rust, and they self-sharpen to last longer.

Steel precision trimmer

The narrow design of the steel precision trimmer makes it easy to precisely edge and finish small details.

Nose and ear trimmer

The trimmer quickly trims unwanted nose and ear hair without nicks or cuts.
