DualCut technology

Enjoy maximum precision with DualCut technology, which includes 2x more blades. The steel blades lightly brush against one another – sharpening themselves as they work. This results in blades that are sharp as day 1 after 5 years of use.

5 hour runtime

Our most powerful Lithium-ion rechargeable battery delivers up to 5 hours of runtime per charge.

Showerproof

This trimmer is designed to be water-resistant, so that you can use it comfortably in the shower and easily clean it under the tap.

Reinforced guards

Our unique cutting guards are reinforced to prevent bending and buckling, ensuring an even trim every time.

Premium stainless steel frame

The trimmer's frame is made of stainless steel for long-lasting durability, and the rubber detailing delivers best-in-class comfort and control.

Steel trimmer

The trimmer's precise steel blades create clean, straight lines and evenly trim through the thickest hair. The non-corrosive blades won't rust, and they self-sharpen to last longer.
